NOTICE TO THE MARKET

Usinas Siderúrgicas de Minas Gerais S.A. – USIMINAS (“Usiminas” or “Company”), in addition to the Material Facts dated of August 10 and 13, 2018, hereby informs its shareholders and the general public that, after strict safety inspections, made by internal professionals, specialists and representatives of the competent public bodies, the operations of the Blast Furnace No 3 and of the Plate Mill and Hot Strip Mill were retaken, which still remained paralyzed after the accident that occurred last Friday. Therefore, all the production equipment of Ipatinga Plant is back into operation and the equipment is resuming gradually its normal level of production.

The Company informs, yet, that is collaborating with the competent authorities to determine the causes of the accident, providing all the information and complying with eventual requests of complementation of information requested by such authorities.

The Company will keep its shareholders and the market in general duly informed regarding the subject matter of this Notice.

Belo Horizonte, August 15th, 2018.

Alberto Ono
